Q-9. Read the following passage and answer the question give at the end: (12)

(A healthy life style certainly brings about healthy changes not only in the body but also in the environment. Many of the serious health concerns in today's world can be linked to poor diet. People who regularly consume food high in sodium, sugar and saturated fats not only increase their chances of obesity, but also increase their risks of developing heart disease, hypertension, diabetes and several types of cancer. Although some people who regularly consume unhealthy foods do so knowingly, there is also a significant portion of the population that remains undereducated about proper nutrition.)

QUESTIONS:

- (i) Why is it important to make changes to our diet? (2)
(ii) Why is it important to educate the people about proper nutrition? (2)
(iii) Identify the parts of speech of the underlined words. (2)
(iv) Summarize the passage in your own words and provide it a suitable title. (5+1=6)
